DR. MORSE'S INVIGORATING CORDIAL,
A Phenomenon in Medicine.—Health Restored and Life Lengthened, by Dr. Morse's Invigorating Elixir or Cordial.

Invigorating Elixir or Cordial.

A T first the properties attributed to Professor Morse's Invigorating Elixir or Cordial were deemed fabulous. The public often deceived could not believe the simple and sublime truths announced by the discoverer. But facts, undeniable facts, attested by witnesses of the highest class and character, are now triumphing over all doubts. Incredulity is overthrown by a mass of testimony which is perfectly irresistible.

The Elixir remedies in all cases the deplorable evils arising from a misuse of the various organs

The Elixir remedies in all cases the deplorable evils arising from a misuse of the various organs which make up the wonderful machine called man. It restores to full vigor every delicate function connected with that mysterious compound agency of matter and mind, necessary to the reproduction of human life. To persons of feeble muscular frame, or deficient in vital power, it is recommended as the only means of communicating that energy which is necessary to the proper enjoyment of all the natural appetites, as well as the higher mental attributes. Its beneficial effects are not confined to either sex or to any age. The feeble girl, the ailing wife, the listless, enervated youth, the over-worn man of business, the victim feeble girl, the ailing wife, the listless, enervated youth, the over-worn man of business, the victim of nervous depression, the individual suffering from general debility, or from the weakness of a single organ, will all find immediate and permanent relief from the use of this incomparable renovator. To those who have a predisposition to paralysis, it will prove a complete and unfailing safeguard against that terrible malady. There are many, perhaps, who have so trifled with their constitutions, that they think themselves beyond the reach of medicine. Let not even these despair. The Elixir deals with disease as it exists, without reference to causes, and will not only rewithout reference to causes, and will not only re-move the disorder itself, but

REBUILD THE BROKEN CONSTITUTION The derangements of the system, leading to nervous diseases, and the forms of nervous dis-ease itself, are so numerous that it would require ease itself, are so numerous that it would require a column to enumerate the maladies for which this preparation is a specific. A few, however, may be enumerated, viz: neuralgia tic-doloureux, headache, incipient paralysis, hysteria, palpitation of the heart, spinal affections, muscular debility, tremors, flatulence, a pricking sensation in the flesh, numbness, torpidity of the liver, mental depression, weakness of the will, indisposition to move, faintness after exercise, broken sleep, and terrifying dreams, inability to remain in one place. terrifying dreams, inability to remain in one place or position, weaking of the procreative organs, sexual incompetency, melancholy, monomania, fluor albus, sinking at the stomach, female irregularities, a chronic tendency to miscarriage, emaciation, and all complaints growing out of a free indulgence of the passions, and all barrenness

that does not proceed from organic causes beyond the reach of medicine.

Whenever the organs to be acted upon are free from malformation or strictural diseases, it is

MORSE'S INVIGORATING ELIXIR Will replace weakness with strength, incapacity Will replace weakness with strength, incapacity with efficiency, irregularity with uniform and natural activity, and this not only without hazard of reaction, but with a happy effect on the general organization. CURE OF NERVOUS DISEASES. No language can convey an adequate idea of the immediate and almost miraculous change shattered nervous system, whether broken down by excess, weak by nature, or impaired by sick-ness, the unstrung and relaxed organization is at once braced, revivified, and built up. The mental and physical symptoms of nervous disease vanish together under its influence. Nor is the effect temporary; on the contrary, the relief is permanent, for the cordial properties of the medicine peach the constitution itself, and restore it to its normal condition. Well may the preparation be called the

called the MEDICINAL WONDER Of the nineteenth century. It is, as the first scientific man in the world would have admitted, that miracle of medicine heretofore supposed to

have no existence.

A STIMULANT THAT ENTAILS NO RE ACTION.

Its force is never expanded, as is the case with opium, alcoholic preparations, and all other excitants. The effect of these is brief, and it may well be said of him who takes them: "the last state of that man is worse than the first." But the Elixir is an exhilarant without a single drawback—safe in its operation, perpetual in its happy influence upon the nerves, the mind, and the entire organization; it will also remove depressions, excitement, a tendency to biush, sleeplessness, dislike of society

incapacity for study or business.

cuted with the most ample facilities, and at very trifling expense.

Clinical lectures are regularly given at the college infirmary and Richmond almshouse. The infirmary, under the same roof with the college, and subject to the entire control of the faculty, is at all times well filled with medical and surgical cases, and furnishes peculiar facilities for clinical instruction. Many surgical operations are performed in presence of the class; and the students, being freely admitted to the wards, enjoy, under the guidance of the professors, unusual opportunities for becoming familiar with the symptoms, diagnosis, and treatment of disease.

Expresses.—Matriculation fee, \$5. Professors' fees, \$100. Demonstrator's fee, \$10. Graduation fee, \$25.

ELECT CLASSICAL and Mathematica School.—The subscriber has removed his school to College Hill, where a commodious building is being fitted up for its reception.

As the Preparatory Department of the Columbian College, it will continue to preserve the character of a strictly select school, designed for laying the foundation of a thorough English, Classical, and Mathematical education. The next season will commente on the 12th of Seasonberg and

partment.
Pupils may be boarded at the College, under the special care and superintendence of the Principal. The necessary expenses of a full boarding student will be about \$190 per academic year, and of a weekly boarder will not exceed \$150.
